Re: FOIA Request – *Studies in Intelligence* article

Dear Ms. Nelson:

This is a request on behalf of National Security Counselors (“NSC”) under the Freedom of Information Act, 5 U.S.C. § 552, *et seq.*, for a copy of the article entitled “Managing/Teaching New Analysts” on pp. 1-10 of the Fall 1986 issue of *Studies in Intelligence*. We do *not* want the excerpt from this article entitled “An Article on the Art of Intelligence Analysis” that has MORI #177265; we are requesting the original complete article without any redactions or edits.

National Security Counselors is a non-profit organization dedicated to informing the public about issues related to national security and law. This article will be posted on our website <http://www.nationalsecuritylaw.org> for public consumption. For the purposes of this request, we request that we be placed in the “all other” fee category. We do not agree to pay any search or duplication fees, as this article should be easy to locate and is well within the 100-page limit.

If you deny all or part of this request, please cite the specific exemptions you believe justify your refusal to release the information or permit the review and notify us of your appeal procedures available under the law. In excising material, please “black out” rather than “white out” or “cut out.”

We request that any documents or records produced in response to this request be provided in electronic (soft-copy) form wherever possible. Acceptable formats are .pdf, .jpg, .gif, .tif. Please provide soft-copy records by email or on a CD if email is not feasible.

Your cooperation in this matter would be appreciated. If you wish to discuss this request, please do not hesitate to contact me.

Sincerely,

Kel McClanahan  
Executive Director
