Re: FOIA Request – *Studies in Intelligence* article

Dear Ms. Nelson:

This is a request on behalf of National Security Counselors (“NSC”) under the Freedom of Information Act, 5 U.S.C. § 552, *et seq.*, for a fully footnoted copy of the article entitled “Intelligence and the Rise of Judicial Intervention” by Frederic F. Manget that was published in the 1996 unclassified issue of *Studies in Intelligence*. The unfootnoted article, available at <https://www.cia.gov/library/center-for-the-study-of-intelligence/csi-publications/csi-studies/studies/96unclass/manget.htm>, states at the bottom of the page, “Frederic F. Manget works in the DCI area. He retains a fully footnoted copy of this article.” We wish to receive a copy of this fully footnoted version.

National Security Counselors is a non-profit organization dedicated to informing the public about issues related to national security and law. This article will be posted on our website <http://www.nationalsecuritylaw.org> for public consumption. Solely for the purposes of this request, we will accept placement in the “all other” fee category, although this should not be read to concede any points with respect to our arguments in other requests for “news media” status; we make this concession solely in the interest of administrative efficiency. We do not agree to pay any search or duplication fees, as this article should be easy to locate and is well within the 100-page limit.

If you deny all or part of this request, please cite the specific exemptions you believe justify your refusal to release the information or permit the review and notify us of your appeal procedures available under the law. In excising material, please “black out” rather than “white out” or “cut out.”

We request that any documents or records produced in response to this request be provided in electronic (soft-copy) form wherever possible. Acceptable formats are .pdf, .jpg, .gif, .tif. Please provide soft-copy records by email or on a CD if email is not feasible.

Your cooperation in this matter would be appreciated. If you wish to discuss this request, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Kel McClanahan". The signature is fluid and cursive, with a long horizontal stroke at the end.
